

Multiplication with Pictures

Count the objects in each group and then multiply with the number of groups to get the total number of objects.

$$\square \times \square = \underline{\quad}$$

$$\square \times \square = \underline{\quad}$$

$$\square \times \square = \underline{\quad}$$

$$\square \times \square = \underline{\quad}$$

Multiplication with Pictures

Answers

$$4 \times 4 = \underline{16}$$

$$2 \times 3 = \underline{6}$$

$$4 \times 3 = \underline{12}$$

$$3 \times 4 = \underline{12}$$
