

Name: _____

Basic Division with Pictures

Write the division sentences to find the answers.

- ① Divide 12 mangoes among 4 children. How many will each of them get?

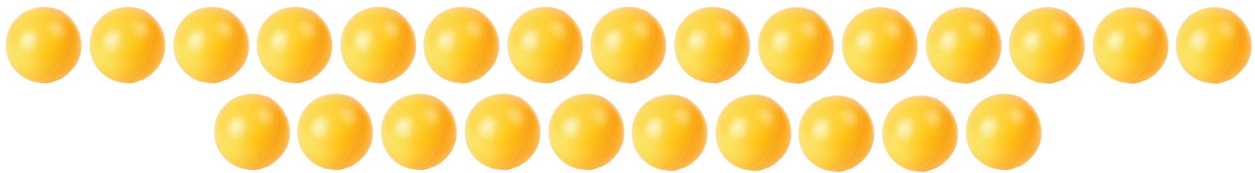

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

- ② Divide 16 pears among 2 persons. How many will each person get?

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

- ③ Divide 25 pingpong balls into groups of 5. How many groups are there?

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

- ④ Divide 9 pineapples among 3 people. How many pineapples will each of them get?

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

- ⑤ Divide 30 cupcakes into groups of 6. How many groups are there?

$$\underline{\hspace{2cm}} \div \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Name: _____

Basic Division with Pictures

Write the division sentences to find the answers.

Answers

- ① Divide 12 mangoes among 4 children. How many will each of them get?

$$\underline{12} \div \underline{4} = \underline{3}$$

- ② Divide 16 pears among 2 persons. How many will each person get?

$$\underline{16} \div \underline{2} = \underline{8}$$

- ③ Divide 25 pingpong balls into groups of 5. How many groups are there?

$$\underline{25} \div \underline{5} = \underline{5}$$

- ④ Divide 9 pineapples among 3 people. How many pineapples will each of them get?

$$\underline{9} \div \underline{3} = \underline{3}$$

- ⑤ Divide 30 cupcakes into groups of 6. How many groups are there?

$$\underline{30} \div \underline{6} = \underline{5}$$
