

PRACTICING Segment Addition Postulate

1) Solve for x

$x = \text{-----}$

2) Find NO.

$NO = \text{-----}$

3) Find CD

$CD = \text{-----}$

4) Solve for x

$x = \text{-----}$

5) Solve for x

$x = \text{-----}$

6) Solve for x

$x = \text{-----}$

Answers

1) Solve for x

$$x = \underline{\quad 75 \quad}$$

2) Find NO.

$$NO = \underline{\quad 51 \quad}$$

3) Find CD

$$CD = \underline{\quad 30 \quad}$$

4) Solve for x

$$x = \underline{\quad 18 \quad}$$

5) Solve for x

$$x = \underline{\quad 10 \quad}$$

6) Solve for x

$$x = \underline{\quad 15 \quad}$$
